

OSHA 10 & 30-HOUR COURSE

Committed to Construction Training

TAKE ADVANTAGE OF VALUABLE TRAINING THAT'S FREE OF CHARGE FOR CONSTRUCTION CUSTOMERS OF THE HARTFORD.

As your business insurance provider, we share your desire to reduce injuries and control your losses. The Hartford is pleased to offer you and your contractors the OSHA 10-Hour and OSHA 30-Hour Construction Safety & Health Course (OSHA 10 and 30). Valued over \$100 per attendee, this course is available to The Hartford's construction customers for free.

Quick Facts About The Hartford's OSHA 10 and 30 Hour Training

- All of The Hartford's construction Loss Control Consultants who teach the course are OSHA 10 and 30 authorized trainers.
- We offer 30 different topics to choose from. We include the mandatory topics; then you can select others that are important to your site.
- Even if you and your contractors already have completed OSHA 10, it's a good idea to take a refresher course every two to three years.
- We can provide you with a CD containing all of the OSHA 10 and 30 presentations, so that your OSHA authorized trainers can train others.
- The Hartford offers the training regularly throughout the year.

- Upon completion of the training, each attendee will receive a course completion card from the U.S. Department of Labor - OSHA.

For More Information

Contact your Hartford loss control consultant today and request this course or inquire about other construction training programs we have to offer. You'll be glad you did. In addition, agents who attend The Hartford's training also receive continuing education unit (CEU) credits.
