

CSEA is pleased to sponsor a vision care option from Vision Service Plan (VSP). This plan is designed for our members who are not eligible for group coverage through their district or who are retired. With more than 24,000 network doctors, the plan provides exams, eyeglasses lenses or contact lenses every 12 months and frames every 24 months with nominal copayments.

These plans take advantage of our collective buying power as an association to obtain vision care coverage at more competitive rates than members can arrange individually.
